

### Careers year plan

A lesson pack to deliver a structured careers programme, aligned to the full Equalex framework.

### Psychometric quizzes

Quizzes that help students explore interests and preferences to generate career ideas.

### Career and subject of the month

A short monthly tutor-time video and reflection resource to spotlight varied careers and pathways.

**+ interaction**

Use Unifrog's interactions tool to log and track all of your modern work experience activities

### Careers in...days

Live employer webinars and self-paced student courses that build sector knowledge, pathways awareness and career reflection

### Visitor talk

A resource to help you host a meaningful employer encounter in assembly or tutor time.

### Skills resources

Lessons, student guides, and tools to help students assess, practise, reflect on and record workplace skills.

### Virtual WEX (Y10+)

Employer-led online experiences combining tasks, feedback and skills reflection.

### Placements tool (Y10+)

A tool to source, log, approve and manage work experience placements, including key details, contacts and dates.

### WEX reflection journal

A workbook for students to reflect on learning, skills used, and next steps after each workplace experience.
